Glass Recycling Changes: Effective March 2, 2009

Beginning on March 2, 2009, the City of Muscatine will no longer accept glass containers for recycling at the Recycling Trailers. This bin will hold plastic (#1-7) beginning March 2, 2009.

If you would like to recycle your glass containers, there will be a drop off container at the Muscatine Recycling Center and Transfer Station (1000 S.Houser St.) for glass. This change is due to contamination of the glass and the safety of staff in handling the materials. The drop off site will be available Monday—Friday 7:00 A.M.—3:30 P.M. and Saturday 7:00 A.M.—2:00 P.M.

A reminder of items accepted at the Recycling Trailer Drop Off Sites:

- Plastic Food Containers #1-7
- Tin Cans
- Aluminum Cans
- Newspaper
- Magazines
- Cardboard

All items need to be clean (Containers rinsed of contents)

Drop off locations: Muscatine Recycling Center and Transfer Station, Fareway, Wal-Mart, Muscatine Mall, 5th/Mulberry Ave, Knott Ave/Lucas St., and WFO.
